

IP Address Request Form

This form is to be used when requesting network blocks of /28 and larger. If you will be requesting a /30 or /29 from us there is no need to fill out this form.

*Please return form to support@nedatavault.com
or FAX to 508-481-0973 ATTN: Support*

Company:		
Address:		
City:	State:	Zip:
Country:		

Note: Please note that the above information will be made publicly available via the ARIN WHOIS database

1. Size of network requested:

Note: Please note that the following info takes into account that we will use the 1st available address in the network as your default gateway, and you get the rest as "usable ip addresses"

- /28 (13 usable)
- /27 (29 usable)
- /26 (61 usable)
- /25 (125 usable)
- /24 (253 usable)

Initials: _____ Date: _____

2. Justification Of Block Size Requested

You agree that these are IP addresses that will be reachable by "ping" or port (http, ftp, etc.) connection within the time period specified in each column. Initially means within the first month. You also agree that if your range is underutilized as per this application, we reserve the right to pull back addresses.

Purpose of # of IPs	1 week	3 mo.s

3. List all previously allocated blocks; describe how they are currently deployed.

4. SERVICE PROVIDERS: List the number of IP addresses that will be needed for each type of service within the next three months.

- Dial-up:
- Cable:
- Web Hosting:
- Leased Line:
- xDSL:
- Co-location:
- Wireless:
- Other (please specify):

Initials: _____ Date: _____

5. If IPs are being requested for Web Hosting, please provide a list of domains hosted and explanation of why name-based vifs cannot be used.

6. Additional Information – Please provide any other pertinent information that will assist us in understanding your IP Address request. *For allocations of /27 or greater, please attach a network diagram in addition to your verbal justification.*

Initials: _____ Date: _____
